Message Reflections

Takeaway: We respond to being rescued by God by standing in reverence.

1. Think about a time you needed help or to be rescued. Who helped you? What did you learn?
2. How might our experience of receiving help impact another person or group of people?
3. Reflect on Psalm 34:4. When has God delivered you from a fear? What fear might you need deliverance from today?
4. Reflect on Psalm 34:8. How might we, like David, invite others to “taste and see that the Lord is good”?
