Message Reflections

1. Think of a person who loves others exceptionally well. How does that person show their love for others? How do you know if or when a person's love is genuine or not?
2. How well do we, as a church, show hospitality? Do newcomers REALLY feel welcome at WPC? Share about a time you were the "new person." What was the setting? Did you feel welcomed or unwelcome?
3. Reflect on Romans 12:15. What's your first reaction when you hear about someone else's success? What about when hearing about a person's loss?
4. Paul writes about radical resistance in Romans 12:19-21. How are Paul's ideas here countercultural to those of today's world? When you have been wronged or hurt, what is the most difficult part of resisting revenge?
