Message Reflections

Takeaway: Sometimes, the resources we need are right in our hands.

Questions:

1. Can you think of a time when you had to be particularly creative or resourceful to solve a problem? What did you do?
2. God reminds Moses of the staff in his hand multiple times in Exodus. What are some of the "staves" (gifts, skills, talents, resources) you are holding? How have you used them in the past? What are some of the "staves" that WPC holds collectively?
3. Pastor Dave said that "more often than not, innovation is found in times of scarcity, in the wilderness, not necessarily in times of abundance." Do you agree or disagree? Can you think of examples of innovation coming in times of plenty and in want?
4. What biblical example of stewardship and resourcefulness resonates with you most? Why?

The **Listening Bench** is a service of WPC Stephen Ministry team. It gives you the opportunity to talk to someone who will listen confidentially and not judge what you say. The listener will offer prayer if that is something that would help you. The **Listening Bench** is available after each worship service on Sunday mornings in our courtyard.
